

Travel Health Insurance

When traveling, an unexpected medical emergency can have a huge financial consequence on you and your family.

STRATA Benefits Consulting Inc. has partnered with Snowbird Medi-Quote, an independent and fully licensed insurance broker, to offer The Escape Plan, an extremely competitive travel insurance program. Through this partnership, STRATA offers access to travel coverage only available through the buying power of the group. Get a base number of days for numerous short trips throughout the year and add additional days when you plan trips of longer duration. You'll get the right coverage for the right price. Shop for your travel insurance knowing that you are well taken care of with access to affordable coverage this is right for you in a safe, secure manner.

Why is emergency medical coverage essential?

When you require medical attention outside of your province or territory of residence, your government health insurance plan pays only a fraction of the benefits that are otherwise available to you. Simply put, emergency medical travel insurance is essential to protect yourself, your family and your personal finances.

Coverage types available are:

- Easy application 15 or 30 day annual plan provides comprehensive medical insurance for as many trips of up to the duration you choose each year up to age 64 with no medical form required.
- Other annual plan options available for those over age 64 and if other number of day options are required.
- Optional annual coverage for Trip Cancellation, Interruption and Baggage Loss Insurance.
- Add top-up days seamlessly for travel of up to any duration available at any age.
- Full coverage for existing medical conditions available.
- Family rates are available.
- Traveling companion discounts.
- Travel within Canada Discounts
- Deductible options available at reduced rates
- \$5,000,000 medical coverage
- Visitors to Canada plans available in many formats and can be purchased after arrival in Canada

All premium payments are made directly to the insurance company and can be paid using a major credit card.
