

MyCare Health Benefit Option

MyCare Health Benefit Option (MyCare HBO) provides affordable and timely access to world-renowned Mayo Clinic expertise in the event of serious illness or major orthopaedic condition.

Time is of the essence when a serious illness strikes. Waiting to receive medical services is stressful, potentially life threatening and costly for everyone involved.

MyCare provides:

Initial diagnosis assistance

Specialist assessments

Diagnostic scans

Medical second opinions

Retest of pathology

Assistance in complex or difficult diagnose conditions

Mayo Clinic is the largest not-for-profit medical practice in the world with experts representing virtually every sub specialty of medicine.

Mayo Clinic will provide a medical diagnosis or medical second opinion with suggested treatment options within 48-72 hours of complete medical file review.

MyCare HBO adds real value with low fees and a simple application and administration process.

Safeguard your family's health with MyCare

MyCare HBO is subject to a pre-existing condition clause.

MyCare Advantage Insurance

MyCare Advantage Insurance puts you more in control if a serious illness or major orthopaedic condition is diagnosed.

Don't risk being referred to a specialist or for treatment that is unavailable for months. Your treatment can begin within days at any of 3 Mayo Clinic facilities.

With MyCare Advantage your Canadian physician will work in close collaboration with Mayo Clinic specialists who will provide treatment and a personalized recovery plan for you or someone in your family.

Covers you and your family

\$5,000,000 USD policy aggregate

Qualifies for HSA and PHSP deductions

Includes all treatment costs

No medical exam or underwriting

Pays all related travel expenses

MyCare HBO members have 45 days to upgrade to MyCare Advantage at attractive group rates.
