

Security Alarms

ProTELEC Alarms offers the highest quality monitoring security systems backed with professional, courteous, caring service, and a website packed with life safety information.

ProTELEC has been protecting families, homes and businesses against the threats of burglars, fire, medical emergencies, flooding and low temperature since 1968.

As one of the largest family owned security providers in Western Canada, **ProTELEC** has built their business on providing professional caring service long after the initial sale.

ProTELEC is a full service company dedicated to installing a security and life safety solution customized to meet your needs, monitored by **ProTELEC's** own ULC listed Central Monitoring Station and serviced by **ProTELEC's** trained technicians.

ProTELEC is pleased to announce the availability of three incentives for customer needs:
