

Travel Health Insurance

STRATA Benefits Consulting Inc. has partnered with **Snowbird Medi-Quote**, an independent and fully licensed insurance broker, to offer many travel insurance options including **The Escape Plan**, an extremely competitive travel insurance program.

Through **The Escape Plan**, **STRATA** offers access to travel coverage only available through the buying power of the group.

Get a base number of days for numerous short trips throughout the year and add additional days when you plan trips of longer duration.

You'll get the right coverage for the right price.

Shop for your travel insurance knowing that you are well taken care of with access to affordable coverage that is right for you.

Coverage available through STRATA and Snowbird Medi-Quote:

- **Annual Plans** provide comprehensive medical insurance for multiple trips up to the chosen number of days per trip
- **Single Trip Plans** for a particular trip only available for those that travel less often
- Optional annual coverage for **Trip Cancellation, Interruption and Baggage Loss Insurance**.
- Add **Top-Up Days** seamlessly for travel of up to any duration available at any age.
- **Full coverage for Existing Medical Conditions**
- **Family Rates, Travel within Canada, and Traveling Companion Discounts** are available.
- **Deductible Options** available at reduced rates
- **Visitors to Canada** plans available in many formats and can be purchased after arrival in Canada

All premium payments are made directly to the insurance company and can be paid using a major credit card.
